### From the Director's Desk

We are SO EXCITED to welcome you into our new home at 605 Cocoa Avenue on Monday, June 13. We have our own dedicated entrance, look for signs leading you to our door.

We have worked long and hard to create a welcoming center for you to continue to “get busy living!”

**Most** programs and services remain the same for the time being (silver sneakers, tap and LaBlast times have changed). We are excited at the potential for growth and change that our new home affords us, but we will “live in the house” for a bit before making changes. If you have ideas about program additions, drop us a line and let us know what you would like to see.

Thanks for your support and understanding these past few years. We look forward to seeing you at our new home.

*~Melissa*
